**HOW WE SAVE WATER.**

*Water Saving Tips*

Get a rain barrel with the help of a rebate so you can capture water for your garden. You can capture about 50 gallons of water in a big rainstorm.

## For Rebates + Water Saving Tips.

California is in a drought emergency. In Southern California, we don't have enough water in some parts of the region to meet normal demands. Every drop we save today counts. Metropolitan Water District and local water districts are taking extraordinary efforts to ensure we have what we need in the coming months. Now is the time to dramatically reduce your water use, and we're here to help.

**WE'RE IN A DROUGHT**

Visit [bewaterwise.com](https://bewaterwise.com) for water-saving rebates, landscape classes, water-wise garden inspiration, and tons of helpful tips on how to reduce your water use.
